Student | Notes

Experience | We offer instrumental courses, depending on age group, in **fiddle, guitar, mandolin, harp, tinwhistle, and rhythm**. If the student is interested in taking an instrumental course, previous experience is required only for fiddle and guitar. We provide tinwhistles, mandolins and harps, but **personal instruments are required** for fiddle and guitar courses. Please note if your student has had any previous experience, as this information will assist us in accomodating each child's learning experience.

Previous experience? Able to provide own instrument?
